TIME, PLACE AND DATE

The annual meeting of stockholders is to be held at 8:15 a.m., local time, on May 24, 2018, at the corporate offices of Liberty TripAdvisor, 12300 Liberty Boulevard, Englewood, Colorado 80112, telephone (720) 875-5200.

PURPOSE

At the annual meeting, you will be asked to consider and vote on each of the following:

- the election of directors proposal, to elect Gregory B. Maffei and Michael J. Malone to continue serving as Class III members of our board until the 2021 annual meeting of stockholders or their earlier resignation or removal;
- the auditors ratification proposal, to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2018; and
- the say-on-pay proposal, to approve, on an advisory basis, the compensation of our named executive officers as described in this proxy statement under the heading "Executive Compensation."

You may also be asked to consider and vote on such other business as may properly come before the annual meeting, although we are not aware at this time of any other business that might come before the annual meeting.

QUORUM

In order to conduct the business of the annual meeting, a quorum must be present. This means that the holders of at least a majority of the aggregate voting power represented by the shares of our common stock outstanding on the record date and entitled to vote at the annual meeting must be represented at the annual meeting either in person or by proxy. For purposes of determining a quorum, your shares will be included as represented at the meeting even if you indicate on your proxy that you abstain from voting. If a broker, who is a record holder of shares, indicates on a form of proxy that the broker does not have discretionary authority to vote those shares on a particular proposal or proposals, or if those shares are voted in circumstances in which proxy authority is defective or has been withheld, those shares (**broker non-votes**) will nevertheless be treated as present for purposes of determining the presence of a quorum. See “—Voting Procedures for Shares Held in Street Name—Effect of Broker Non-Votes” below.

WHO MAY VOTE

Holders of shares of our common stock, as recorded in our stock register as of 5:00 p.m., New York City time, on April 2, 2018 (such date and time, the **record date** for the annual meeting), will be entitled to notice of the annual meeting and to vote at the annual meeting or any adjournment or postponement thereof.

VOTES REQUIRED

Each director nominee who receives a plurality of the combined voting power of the outstanding shares of our common stock present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors at the annual meeting, voting together as a single class, will be elected to office.

Approval of each of the auditors ratification proposal and the say-on-pay proposal requires the affirmative vote of a majority of the combined voting power of the outstanding shares of our common stock that are present in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

VOTES YOU HAVE

At the annual meeting, holders of shares of LTRPA will have one vote per share and holders of shares of LTRPB will have ten votes per share, in each case, that our records show are owned as of the record date.

RECOMMENDATION OF OUR BOARD OF DIRECTORS

Our board of directors has unanimously approved each of the proposals and recommends that you vote “**FOR**” the election of each director nominee and “**FOR**” each of the auditors ratification proposal and the say-on-pay proposal.

SHARES OUTSTANDING

As of the record date, an aggregate of approximately 72,127,000 shares of LTRPA and 2,930,000 shares of LTRPB were issued and outstanding and entitled to vote at the annual meeting.

NUMBER OF HOLDERS

There were, as of the record date, 951 and 53 record holders of LTRPA and LTRPB, respectively (which amounts do not include the number of stockholders whose shares are held of record by banks, brokers or other nominees, but include each such institution as one holder).

VOTING PROCEDURES FOR RECORD HOLDERS

Holders of record of our common stock as of the record date may vote in person at the annual meeting, by telephone or through the Internet. Alternatively, they may give a proxy by completing, signing, dating and returning the proxy card by mail. Instructions for voting by using the telephone or the Internet are printed on the proxy card. In order to vote through the Internet, holders should have their proxy cards available so they can input the required information from the proxy card, and log onto the Internet website address shown on the proxy card. When holders

log onto the Internet website address, they will receive instructions on how to vote their shares. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number, which will be provided to each voting stockholder separately. Unless subsequently revoked, shares of our common stock represented by a proxy submitted as described herein and received at or before the annual meeting will be voted in accordance with the instructions on the proxy.

YOUR VOTE IS IMPORTANT. It is recommended that you vote by proxy even if you plan to attend the annual meeting. You may change your vote at the annual meeting.

If you submit a properly executed proxy without indicating any voting instructions as to a proposal enumerated in the Notice of Annual Meeting of Stockholders, the shares represented by the proxy will be voted **"FOR"** the election of each director nominee and **"FOR"** each of the auditors ratification proposal and the say-on-pay proposal.

If you submit a proxy indicating that you abstain from voting as to a proposal, it will have no effect on the election of directors proposal and it will have the same effect as a vote **"AGAINST"** each of the other proposals.

If you do not submit a proxy or you do not vote in person at the annual meeting, your shares will not be counted as present and entitled to vote for purposes of determining a quorum, and your failure to vote will have no effect on determining whether any of the proposals are approved (if a quorum is present).

VOTING PROCEDURES FOR SHARES HELD IN STREET NAME

General

If you hold your shares in the name of a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee when voting your shares or to grant or revoke a proxy. The rules and regulations of the New York Stock Exchange and The Nasdaq Stock Market LLC (**Nasdaq**) prohibit brokers, banks and other nominees from voting shares on behalf of their clients with respect to numerous matters, including, in our case, the election of directors proposal and the say-on-pay proposal described in this proxy statement. Accordingly, to ensure your shares held in street name are voted on these matters, we encourage you to provide promptly specific voting instructions to your broker, bank or other nominee.

Effect of Broker Non-Votes

Broker non-votes are counted as shares of our common stock present and entitled to vote for purposes of determining a quorum but will have no effect on any of the proposals. You should follow the directions your broker, bank or other nominee provides to you regarding how to vote your shares of common stock or how to change your vote or revoke your proxy.

REVOKING A PROXY

If you submitted a proxy prior to the start of the annual meeting, you may change your vote by voting in person at the annual meeting or by delivering a signed proxy revocation or a new signed proxy with a later date to Liberty TripAdvisor Holdings, Inc., c/o Computershare Investor Services, P.O. Box 505008, Louisville, Kentucky 40233-9814. Any signed proxy revocation or new signed proxy must be received before the start of the annual meeting. In addition, you may change your vote through the Internet or by telephone (if you originally voted by the corresponding method) not later than 2:00 a.m., New York City time, on May 24, 2018.

Your attendance at the annual meeting will not, by itself, revoke a prior vote or proxy from you.

If your shares are held in an account by a broker, bank or other nominee, you should contact your nominee to change your vote or revoke your proxy.

SOLICITATION OF PROXIES

We are soliciting proxies by means of our proxy statement and our annual report (together, the **proxy materials**) on behalf of our board of directors. In addition to this mailing, our employees may solicit proxies personally or by telephone. We pay the cost of soliciting these proxies. We also reimburse brokers and other nominees for their expenses in sending the proxy materials to you and getting your voting instructions.

If you have any further questions about voting or attending the annual meeting, please contact Liberty TripAdvisor Investor Relations at (844) 826-8736.

OTHER MATTERS TO BE VOTED ON AT THE ANNUAL MEETING

Our board of directors is not currently aware of any business to be acted on at the annual meeting other than that which is described in the Notice of Annual Meeting of Stockholders and this proxy statement. If, however, other matters are properly brought to a vote at the annual meeting, the persons designated as proxies will have discretion to vote or to act on these matters according to their best judgment. In the event there is a proposal to adjourn or postpone the annual meeting, the persons designated as proxies will have discretion to vote on that proposal.

SECURITY OWNERSHIP OF MANAGEMENT

The following table sets forth information with respect to the ownership by each of our directors and named executive officers (as defined herein) and by all of our directors and executive officers as a group of shares of (1) each series of our common stock (LTRPA and LTRPB) and (2) the Common Stock, par value \$0.001 per share (**TRIP**), of our consolidated subsidiary TripAdvisor, Inc. (**TripAdvisor**). None of our directors or named executive officers own shares of TripAdvisor's Class B Common Stock, par value \$0.001 per share (**TripAdvisor Class B**). The security ownership information with respect to our common stock is given as of February 28, 2018 and, in the case of percentage ownership information, is based upon 72,127,032 LTRPA shares and 2,929,777 LTRPB shares, in each case, outstanding on that date. The security ownership information with respect to TripAdvisor is given as of February 28, 2018, and, in the case of percentage ownership information, is based on 126,183,939 TRIP shares and 12,799,999 TripAdvisor Class B shares, in each case, outstanding on February 9, 2018. The percentage voting power is presented in the table below on an aggregate basis for all series of common stock.

Shares of restricted stock that have been granted pursuant to TripAdvisor's incentive plans are included in the outstanding share numbers, for purposes of the table below and throughout this proxy statement. Shares of common stock issuable upon exercise or conversion of options, warrants and convertible securities that were exercisable or convertible on or within 60 days after February 28, 2018 are deemed to be outstanding and to be beneficially owned by the person holding the options, warrants or convertible securities for the purpose of computing the percentage ownership of that person and for the aggregate percentage owned by the directors and named executive officers as a group, but are not treated as outstanding for the purpose of computing the percentage ownership of any other individual person. For purposes of the following presentation, beneficial ownership of shares of LTRPB, though convertible on a one-for-one basis into shares of LTRPA, are reported as beneficial ownership of LTRPB only, and not as beneficial ownership of LTRPA. So far as is known to us, the persons indicated below have sole voting and dispositive power with respect to the shares indicated as owned by them, except as otherwise stated in the notes to the table.

VOTE AND RECOMMENDATION

A plurality of the combined voting power of the outstanding shares of our common stock present in person or represented by proxy at the annual meeting and entitled to vote on the election of directors at the annual meeting, voting together as a single class, is required to elect Messrs. Maffei and Malone as Class III members of our board of directors.

**Our board of directors unanimously recommends a vote
“FOR” the election of each nominee to our board of directors.**

PROPOSAL 2—THE AUDITORS RATIFICATION PROPOSAL

We are asking our stockholders to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2018.

Even if the selection of KPMG LLP is ratified, the audit committee of our board of directors in its discretion may direct the appointment of a different independent accounting firm at any time during the year if our audit committee determines that such a change would be advisable. In the event our stockholders fail to ratify the selection of KPMG LLP, our audit committee will consider it as a direction to select other auditors for the year ending December 31, 2018.

A representative of KPMG LLP is expected to be available to answer appropriate questions at the annual meeting and will have the opportunity to make a statement if he or she so desires.

AUDIT FEES AND ALL OTHER FEES

The following table presents fees incurred for professional audit services rendered by KPMG LLP for the audit of our consolidated financial statements for 2017 and 2016 and fees billed for other services rendered by KPMG LLP:

	2017 ⁽¹⁾	2016 ⁽¹⁾
Audit fees	\$ 537,800	\$ 462,300
Audit related fees	—	—
Audit and audit related fees	537,800	462,300
Tax fees ⁽²⁾	48,100	10,200
Total fees	\$ 585,900	\$ 472,500

(1) Such fees with respect to 2017 and 2016 exclude audit fees, audit related fees and tax fees billed by KPMG LLP to TripAdvisor for services rendered. TripAdvisor is a separate public company and its audit fees, audit related fees and tax fees (which aggregated to \$2,283,300 and \$2,021,500 in 2017 and 2016, respectively) are reviewed and approved by the audit committee of the board of directors of TripAdvisor.

(2) Tax fees consist of tax compliance and consultations regarding the tax implications of certain transactions.

Our audit committee has considered whether the provision of services by KPMG LLP to our company other than auditing is compatible with KPMG LLP maintaining its independence and believes that the provision of such other services is compatible with KPMG LLP maintaining its independence.

POLICY ON PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITOR

Our audit committee has adopted a policy regarding the pre-approval of all audit and permissible non-audit services provided by our independent auditor. Pursuant to this policy, our audit committee has approved the engagement of our independent auditor to provide the following services (all of which are collectively referred to as **pre-approved services**):

- audit services as specified in the policy, including (i) financial audits of our company and our subsidiaries, (ii) services associated with registration statements, periodic reports and other documents filed or issued in connection with securities offerings (including comfort letters and consents), (iii) attestations of management reports on our internal controls and (iv) consultations with management as to accounting or disclosure treatment of transactions;
- audit related services as specified in the policy, including (i) due diligence services, (ii) financial statement audits of employee benefit plans, (iii) consultations with management as to the accounting or disclosure treatment of transactions, (iv) attest services not required by statute or regulation, (v) certain audits incremental to the audit of our consolidated financial statements, (vi) closing balance sheet audits related to dispositions, and (vii) general assistance with implementation of the requirements of certain Securities and Exchange Commission (**SEC**) rules or listing standards; and
- tax services as specified in the policy, including federal, state, local and international tax planning, compliance and review services, and tax due diligence and advice regarding mergers and acquisitions.

PROPOSAL 2—THE AUDITORS RATIFICATION PROPOSAL

Notwithstanding the foregoing general pre-approval, if, in the reasonable judgment of Liberty TripAdvisor's Senior Vice President and Chief Financial Officer, an individual project involving the provision of pre-approved services is likely to result in fees in excess of \$50,000, or if individual projects under \$50,000 are likely to total \$250,000 during the period between the regularly scheduled meetings of the audit committee, then such projects will require the specific pre-approval of our audit committee. Our audit committee has delegated the authority for the foregoing approvals to the chairman of the audit committee, subject to his subsequent disclosure to the entire audit committee of the granting of any such approval. Chris Mueller currently serves as the chairman of our audit committee. In addition, the independent auditor is required to provide a report at each regularly scheduled audit committee meeting on all pre-approved services incurred during the preceding quarter. Any engagement of our independent auditors for services other than the pre-approved services requires the specific approval of our audit committee.

Under our policy, any fees incurred by TripAdvisor in connection with the provision of services by TripAdvisor's independent auditor are expected to be reviewed and approved by TripAdvisor's audit committee pursuant to TripAdvisor's policy regarding the pre-approval of all audit and permissible non-audit services provided by its independent auditor in effect at the time of such approval. Such approval by TripAdvisor's audit committee pursuant to its policy is deemed to be pre-approval of the services by our audit committee.

Our pre-approval policy prohibits the engagement of our independent auditor to provide any services that are subject to the prohibition imposed by Section 201 of the Sarbanes-Oxley Act.

All services provided by our independent auditor during 2017 were approved in accordance with the terms of the policy.

VOTE AND RECOMMENDATION

The affirmative vote of a majority of the combined voting power of the outstanding shares of our common stock that are present in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class, is required to approve the auditors ratification proposal.

**Our board of directors unanimously recommends a vote
"FOR" the auditors ratification proposal.**

PROPOSAL 3—THE SAY-ON-PAY PROPOSAL

We are providing our stockholders the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers as described below in accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the **Exchange Act**). This advisory vote is often referred to as the “say-on-pay” vote and allows our stockholders to express their views on the overall compensation paid to our named executive officers. Our company values the views of our stockholders and is committed to the efficiency and effectiveness of our company’s executive compensation program.

Our first (and most recent) advisory vote on the compensation of our named executive officers was held at our 2015 annual meeting of stockholders on June 2, 2015, at which stockholders representing a majority of our aggregate voting power present and entitled to vote on the say-on-pay proposal voted in favor of, on an advisory basis, our executive compensation as disclosed in our proxy statement for our 2015 annual meeting of stockholders. Also at this meeting, the frequency at which future advisory votes on executive compensation would be held of once every three years received the affirmative vote of a majority of the votes cast on the say-on-frequency proposal by our stockholders that were present, in person or by proxy, and entitled to vote at the 2015 annual meeting of stockholders, voting together as a single class, and our board of directors adopted this as the frequency at which future advisory votes on executive compensation would be held. We currently expect that our next advisory vote on executive compensation will be held in 2021.

We are seeking stockholder approval of the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules, which include the disclosures under “Executive Compensation—Compensation Discussion and Analysis,” the compensation tables (including all related footnotes) and any additional narrative discussion of compensation included herein. Stockholders are encouraged to read the “Executive Compensation—Compensation Discussion and Analysis” section of this proxy statement, which provides an overview of our company’s executive compensation policies and procedures.

In accordance with Section 14A of the Exchange Act, and Rule 14a-21(a) promulgated thereunder, and as a matter of good corporate governance, our board of directors is asking stockholders to approve the following advisory resolution at the 2018 annual meeting of stockholders:

RESOLVED, that the stockholders of Liberty TripAdvisor Holdings, Inc. hereby approve, on an advisory basis, the compensation paid to our company’s named executive officers, as disclosed in this proxy statement pursuant to the rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and any related narrative discussion.

ADVISORY VOTE

Although this vote is advisory and non-binding on our board and our company, our board and the compensation committee, which are responsible for designing and administering our company’s executive compensation program, value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation policies and decisions for named executive officers.

VOTE AND RECOMMENDATION

This advisory resolution, which we refer to as the say-on-pay proposal, will be considered approved if it receives the affirmative vote of a majority of the combined voting power of the outstanding shares of our common stock that are present in person or by proxy, and entitled to vote at the annual meeting, voting together as a single class.

Our board of directors unanimously recommends a vote “FOR” the approval of the say-on-pay proposal.

There is no family relationship between any of our executive officers or directors, by blood, marriage or adoption.

During the past ten years, none of our directors or executive officers has had any involvement in such legal proceedings as would be material to an evaluation of his ability or integrity.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish us with copies of all Section 16 forms they file.

Based solely on a review of the copies of the Forms 3, 4 and 5 and amendments to those forms furnished to us during our most recent fiscal year and written representations made to us by our executive officers and directors, we believe that, during the year ended December 31, 2017, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were met with the exception of one Form 4 reporting one transaction that was untimely filed for Mr. Wendling in March 2017.

CODE OF ETHICS

We have adopted a code of business conduct and ethics that applies to all of our employees, directors and officers, which constitutes our “code of ethics” within the meaning of Section 406 of the Sarbanes-Oxley Act. Our code of business conduct and ethics is available on our website at www.libertytripadvisorholdings.com.

DIRECTOR INDEPENDENCE

It is our policy that a majority of the members of our board of directors be independent of our management. For a director to be deemed independent, our board of directors must affirmatively determine that the director has no direct or indirect material relationship with us. To assist our board of directors in determining which of our directors qualify as independent for purposes of Nasdaq rules as well as applicable rules and regulations adopted by the SEC, the nominating and corporate governance committee of our board of directors follows Nasdaq’s corporate governance rules on the criteria for director independence.

Our board of directors has determined that each of Michael J. Malone, Chris Mueller, Larry E. Romrell and J. David Wargo qualifies as an independent director of our company.

BOARD COMPOSITION

As described above under “Proposals of Our Board—Proposal 1—The Election of Directors Proposal,” our board is comprised of directors with a broad range of backgrounds and skill sets, including in media and telecommunications, technology, venture capital, private equity, real estate finance, auditing and financial engineering. For more information on our policies with respect to board candidates, see “—Committees of the Board of Directors—Nominating and Corporate Governance Committee” below.

BOARD LEADERSHIP STRUCTURE

Gregory B. Maffei currently serves as our Chairman of the Board, President and Chief Executive Officer (principal executive officer) and is responsible for identifying and implementing strategic initiatives as well as providing executive leadership. Our board believes that our President and Chief Executive Officer is best suited to serve as Chairman of the Board because he is the director most familiar with our company’s business and industry, and most capable of effectively identifying strategic priorities for our company, leading the board in discussions regarding our business and strategic direction, and focusing the board on execution of strategy. Independent directors and management have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside our company and industry, while our President and Chief Executive Officer brings significant financial and operational experience based on his past and present senior policy making positions as a director and/or executive officer at our company and other large public companies. Our board believes that the combined role of Chairman of the Board and President and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and the board. In light of the active involvement by our independent directors, our board has not named a lead independent director.

BOARD ROLE IN RISK OVERSIGHT

The board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant board committees. Our audit committee oversees management of financial risks and risks relating to potential conflicts of interest. Our compensation committee oversees the management of risks relating to our compensation arrangements with senior officers. Our nominating and corporate governance committee oversees risks associated with the independence of the board. These committees then provide reports periodically to the full board. The oversight responsibility of the board and its committees is enabled by management reporting processes that are designed to provide visibility to the board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, legal and compliance, and other risks. Our management reporting processes include regular reports from Mr. Maffei, which are prepared with input from our senior management team, and also include input from our Internal Audit group.

MANAGEMENT AND GOVERNANCE MATTERS

COMMITTEES OF THE BOARD OF DIRECTORS

Executive Committee

Our board of directors has established an executive committee, whose members are Gregory B. Maffei, Chris Mueller and Albert E. Rosenthaler. Except as specifically prohibited by the General Corporation Law of the State of Delaware, the executive committee may exercise all the powers and authority of our board of directors in the management of our business and affairs, including the power and authority to authorize the issuance of shares of our capital stock.

Compensation Committee

Our board of directors has established a compensation committee, whose chairman is Larry E. Romrell and whose other members are Michael J. Malone and J. David Wargo. See “—Director Independence” above.

In August 2014, the spin-off of our company (formerly a wholly-owned subsidiary of Liberty Interactive) from Liberty Interactive was completed (the **Spin-Off**). In connection with the Spin-Off, we entered into a Services Agreement, dated August 27, 2014, with Liberty Media (the **services agreement**), pursuant to which Liberty Media provides us with administrative, executive and management services. The compensation committee evaluates the services fee under the services agreement on at least an annual basis. In addition, the compensation committee may approve incentive awards or other forms of compensation to employees of Liberty Media who are providing services to our company, which employees include our executive officers. However, the compensation committee determined not to grant such compensation for 2017.

If we engage a chief executive officer, chief financial officer, chief legal officer, chief tax officer or chief corporate development officer to perform services for our company outside the services agreement, the compensation committee will review and approve corporate goals and objectives relevant to the compensation of any such person. The compensation committee also oversees the compensation of the chief executive officers of our non-public operating subsidiaries. For a description of our current processes and policies for consideration and determination of executive compensation, including the role of our Chief Executive Officer in determining or recommending amounts and/or forms of compensation, see “Executive Compensation—Compensation Discussion and Analysis.”

Our board of directors has adopted a written charter for the compensation committee, which is available on our website at www.libertytripadvisorholdings.com.

Compensation Committee Report

The compensation committee has reviewed and discussed with our management the “Compensation Discussion and Analysis” included under “Executive Compensation” below. Based on such review and discussions, the compensation committee recommended to our board of directors that the “Compensation Discussion and Analysis” be included in this proxy statement.

The nominating and corporate governance committee identifies individuals qualified to become board members consistent with criteria established or approved by our board of directors from time to time, identifies director nominees for upcoming annual meetings, develops corporate governance guidelines applicable to our company and oversees the evaluation of our board and management.

The nominating and corporate governance committee will consider candidates for director recommended by any stockholder provided that such recommendations are properly submitted. Eligible stockholders wishing to recommend a candidate for nomination as a director should send the recommendation in writing to the Corporate Secretary, Liberty TripAdvisor Holdings, Inc., 12300 Liberty Boulevard, Englewood, Colorado 80112. Stockholder recommendations must be made in accordance with our bylaws, as discussed under “Stockholder Proposals” below, and contain the following information:

- the name and address of the proposing stockholder and the beneficial owner, if any, on whose behalf the nomination is being made, and documentation indicating the number of shares of our common stock owned beneficially and of record by such person and the holder or holders of record of those shares, together with a statement that the proposing stockholder is recommending a candidate for nomination as a director;
- the candidate’s name, age, business and residence addresses, principal occupation or employment, business experience, educational background and any other information relevant in light of the factors considered by the nominating and corporate governance committee in making a determination of a candidate’s qualifications, as described below;
- a statement detailing any relationship, arrangement or understanding between the proposing stockholder and/or beneficial owner(s), if different, and any other person(s) (including their names) under which the proposing stockholder is making the nomination and any affiliates or associates (as defined in Rule 12b-2 of the Exchange Act) of such proposing stockholder(s) or beneficial owner (each a **Proposing Person**);
- a statement detailing any relationship, arrangement or understanding that might affect the independence of the candidate as a member of our board of directors;
- any other information that would be required under SEC rules in a proxy statement soliciting proxies for the election of such candidate as a director;
- a representation as to whether the Proposing Person intends (or is part of a group that intends) to deliver any proxy materials or otherwise solicit proxies in support of the director nominee;
- a representation by each Proposing Person who is a holder of record of our common stock as to whether the notice is being given on behalf of the holder of record and/or one or more beneficial owners, the number of shares held by any beneficial owner along with evidence of such beneficial ownership and that such holder of record is entitled to vote at the annual stockholders meeting and intends to appear in person or by proxy at the annual stockholders meeting at which the person named in such notice is to stand for election;
- a written consent of the candidate to be named in the proxy statement and to serve as a director, if nominated and elected;
- a representation as to whether the Proposing Person has received any financial assistance, funding or other consideration from any other person regarding the nomination (a **Stockholder Associated Person**) (including the details of such assistance, funding or consideration); and

MANAGEMENT AND GOVERNANCE MATTERS

- a representation as to whether and the extent to which any hedging, derivative or other transaction has been entered into with respect to our company within the last six months by, or is in effect with respect to, the Proposing Person, any person to be nominated by the proposing stockholder or any Stockholder Associated Person, the effect or intent of which transaction is to mitigate loss to or manage risk or benefit of share price changes for, or increase or decrease the voting power of, the Proposing Person, its nominee, or any such Stockholder Associated Person.

In connection with its evaluation, the nominating and corporate governance committee may request additional information from the proposing stockholder and the candidate. The nominating and corporate governance committee has sole discretion to decide which individuals to recommend for nomination as directors.

To be nominated to serve as a director, a nominee need not meet any specific minimum criteria. However, the nominating and corporate governance committee believes that nominees for director should possess the highest personal and professional ethics, integrity, values and judgment and should be committed to the long-term interests of our stockholders. When evaluating a potential director nominee, including one recommended by a stockholder, the nominating and corporate governance committee will take into account a number of factors, including, but not limited to, the following:

- independence from management;
- his or her unique background, including education, professional experience and relevant skill sets;
- judgment, skill, integrity and reputation;
- existing commitments to other businesses as a director, executive or owner;
- personal conflicts of interest, if any; and
- the size and composition of the existing board of directors, including whether the potential director nominee would positively impact the composition of the board by bringing a new perspective or viewpoint to the board of directors.

The nominating and corporate governance committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The nominating and corporate governance committee does not have a formal policy with respect to diversity; however, our board and the nominating and corporate governance committee believe that it is important that our board members represent diverse viewpoints.

When seeking candidates for director, the nominating and corporate governance committee may solicit suggestions from incumbent directors, management, stockholders and others. After conducting an initial evaluation of a prospective nominee, the nominating and corporate governance committee will interview that candidate if it believes the candidate might be suitable to be a director. The nominating and corporate governance committee may also ask the candidate to meet with management. If the nominating and corporate governance committee believes a candidate would be a valuable addition to our board of directors, it may recommend to the full board that candidate's nomination and election.

Prior to nominating an incumbent director for re-election at an annual meeting of stockholders, the nominating and corporate governance committee will consider the director's past attendance at, and participation in, meetings of the board of directors and its committees and the director's formal and informal contributions to the various activities conducted by the board and the board committees of which such individual is a member.

The members of our nominating and corporate governance committee have determined that Messrs. Maffei and Malone, who are nominated for election at the annual meeting, continue to be qualified to serve as directors of our company and such nomination was approved by the entire board of directors.

Our board of directors has adopted a written charter for the nominating and corporate governance committee. Our board of directors has also adopted corporate governance guidelines, which were developed by the nominating and corporate governance committee. The charter and the corporate governance guidelines are available on our website at www.libertytripadvisorholdings.com.

Audit Committee

Our board of directors has established an audit committee, whose chairman is Chris Mueller and whose other members are Michael J. Malone and J. David Wargo. See “—Director Independence” above.

Our board of directors has determined that Mr. Mueller is our company's "audit committee financial expert" under applicable SEC rules and regulations. The audit committee reviews and monitors the corporate financial reporting and the internal and external audits of our company. The committee's functions include, among other things:

- appointing or replacing our independent auditors;
- reviewing and approving in advance the scope and the fees of our annual audit and reviewing the results of our audits with our independent auditors;
- reviewing and approving in advance the scope and the fees of non-audit services of our independent auditors;
- reviewing compliance with and the adequacy of our existing major accounting and financial reporting policies;
- reviewing our management's procedures and policies relating to the adequacy of our internal accounting controls and compliance with applicable laws relating to accounting practices;
- confirming compliance with applicable SEC and stock exchange rules; and
- preparing a report for our annual proxy statement.

Our board of directors has adopted a written charter for the audit committee, which is available on our website at www.libertytripadvisorholdings.com.

Audit Committee Report

Each member of the audit committee is an independent director as determined by our board of directors, based on the listing standards of Nasdaq. Each member of the audit committee also satisfies the SEC's independence requirements for members of audit committees. Our board of directors has determined that Mr. Mueller is an "audit committee financial expert" under applicable SEC rules and regulations.

The audit committee reviews our financial reporting process on behalf of our board of directors. Management has primary responsibility for establishing and maintaining adequate internal controls, for preparing financial statements and for the public reporting process. Our independent auditor, KPMG LLP, is responsible for expressing opinions on the conformity of our audited consolidated financial statements with U.S. generally accepted accounting principles. Our independent auditor also expresses its opinion as to the effectiveness of our internal control over financial reporting.

Our audit committee has reviewed and discussed with management and KPMG LLP our most recent audited consolidated financial statements, as well as management's assessment of the effectiveness of our internal control over financial reporting and KPMG LLP's evaluation of the effectiveness of our internal control over financial reporting. Our audit committee has also discussed with KPMG LLP the matters required to be discussed by the Public Company Accounting Oversight Board Auditing Standard No. 1301, Communications with Audit Committees, including that firm's judgment about the quality of our accounting principles, as applied in its financial reporting.

KPMG LLP has provided our audit committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding KPMG LLP's communications with the audit committee concerning independence, and the audit committee has discussed with KPMG LLP that firm's independence from the company and its subsidiaries.

Based on the reviews, discussions and other considerations referred to above, our audit committee recommended to our board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2017 (the **2017 Form 10-K**), which was filed on February 21, 2018 with the SEC.

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

All such communications from stockholders will be forwarded to our directors on a timely basis.

In 2017, the independent directors of our company, then serving, met at three executive sessions without management participation.

The current independent directors of our company are Michael J. Malone, Chris Mueller, Larry E. Romrell and J. David Wargo.

EXECUTIVE COMPENSATION

This section sets forth information relating to, and an analysis and discussion of, compensation paid by our company to the following persons (who we collectively refer to as our **named executive officers**):

- Gregory B. Maffei, our Chairman of the Board, President and Chief Executive Officer; and
- Brian J. Wendling, our Senior Vice President and Chief Financial Officer.

Pursuant to the services agreement (as described below), employees of Liberty Media perform management services for our company for a monthly fee, which is reviewed quarterly by the audit committees of our company and Liberty Media. As described above, our executive officers are comprised of Messrs. Maffei, Baer, Rosenthaler and Wendling, each of whom is an employee of Liberty Media and provides executive services to our company under the services agreement. Our executive officers are not separately compensated by our company other than with respect to any equity awards relating to our common stock that our compensation committee may determine to grant. Our named executive officers did not receive any equity awards relating to our common stock in 2017. Because we did not pay any cash compensation or grant any equity awards to Messrs. Baer and Rosenthaler with respect to 2017, Messrs. Baer and Rosenthaler are not considered “named executive officers” of our company for purposes of the Exchange Act and the rules adopted by the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Overview

Services Agreement

In connection with the Spin-Off, we entered into the services agreement with Liberty Media in August 2014, pursuant to which Liberty Media provides to our company certain administrative and management services, and we pay Liberty Media a monthly management fee, the amount of which is subject to semi-annual review (and at least an annual review by our compensation committee). As a result, employees, including our named executive officers, who provide services to our company pursuant to the services agreement are not separately compensated by our company other than with respect to equity awards with respect to our common stock. For the year ended December 31, 2017, we accrued management fees payable to Liberty Media under the services agreement of \$2.97 million.

Role of Chief Executive Officer in Compensation Decisions; Setting Executive Compensation

Mr. Maffei did not have any role in making compensation decisions for the year ended December 31, 2017.

Prospectively, Mr. Maffei may make recommendations with respect to any equity compensation to be awarded to our executive officers. As a result of the management fee paid to Liberty Media, the compensation committee does not expect to provide any cash compensation to the executive officers, rather it may determine to separately compensate the executive officers with equity incentive compensation. It is expected that our Chief Executive Officer, in making any related recommendations to our compensation committee, will evaluate the performance and contributions of each of our executive officers, given his respective area of responsibility, and, in doing so, will consider various qualitative factors such as:

- the executive officer’s experience and overall effectiveness;
- the executive officer’s performance;
- the responsibilities of the executive officer, including any changes to those responsibilities over the year; and
- the executive officer’s demonstrated leadership and management ability.

At the 2015 annual stockholder meeting, stockholders representing a majority of the aggregate voting power of Liberty TripAdvisor present and entitled to vote on its say-on-pay proposal voted in favor of, on an advisory basis, Liberty TripAdvisor’s executive compensation, as disclosed in our proxy statement for the 2015 annual meeting of stockholders. No material changes were implemented to our executive compensation program as a result of this vote. In addition, at the 2015 annual meeting of stockholders, stockholders elected to hold a say-on-pay vote every three years.

Equity Incentive Compensation

None of our executive officers, including our named executive officers, received any equity incentive compensation from our company during 2017. The equity awards held by our named executive officers and reported below in

“—Outstanding Equity Awards at Fiscal Year-End” (other than the stock options granted to Mr. Maffei in 2014 after the Spin-Off) were issued as a result of the anti-dilution adjustments applied to their outstanding equity awards relating to Liberty Interactive’s Liberty Ventures common stock at the time of the completion of the Spin-Off, including their outstanding multi-year grants described below.

Consistent with our compensation philosophy, our compensation committee believes in aligning the interests of the named executive officers with those of our stockholders and may grant awards of stock-based incentive compensation in the future to further align their interests. This will ensure that our executives have a continuing stake in our long-term success.

The Liberty TripAdvisor Holdings, Inc. 2014 Omnibus Incentive Plan (Amended and Restated as of March 11, 2015) (the **incentive plan**), as amended, provides for the grant of a variety of incentive awards, including stock options, restricted shares, restricted stock units, stock appreciation rights and performance awards. Our compensation committee has a preference for grants of stock options and awards of restricted stock or restricted stock units (as compared with other types of available awards under the incentive plan) based on the belief that they better promote retention of key employees through the continuing, long-term nature of an equity investment. It is the policy of our compensation committee that stock options be awarded with an exercise price equal to fair market value on the date of grant, typically measured by reference to the closing price on the grant date.

Prior to the Spin-Off, the Liberty Interactive compensation committee (and prior to September 2011 when Liberty Media’s former parent company was split off from its former parent company, Liberty Interactive, the Liberty Interactive compensation committee) determined to make larger grants (equaling approximately four to five years’ value of the annual grants made in years prior to 2009) that vest between four and five years after grant, rather than making annual grants over the same period. These multi-year stock option grants provide for back-end weighted vesting and generally expire seven to ten years after grant to encourage executives to remain with the company over the long-term and to better align their interests with those of the stockholders. In that regard, multi-year awards were granted to our executive officers prior to 2014, including to our named executive officers, and, accordingly, the multi-year awards were adjusted in connection with the Spin-Off pursuant to the anti-dilution provisions of the incentive plans under which they were granted.

Policy on Restatements

In those instances where we grant equity-based incentive compensation, we expect to include in the related agreement with the executive a right, in favor of our company, to require the executive to repay or return to the company any cash, stock or other incentive compensation (including proceeds from the disposition of shares received upon exercise of options or stock appreciation rights). That right will arise if (1) a material restatement of any of our financial statements is required and (2) in the reasonable judgment of our compensation committee, (A) such restatement is due to material noncompliance with any financial reporting requirement under applicable securities laws and (B) such noncompliance is a result of misconduct on the part of the executive. In determining the amount of such repayment or return, our compensation committee may take into account, among other factors it deems relevant, the extent to which the market value of the applicable series of our common stock was affected by the errors giving rise to the restatement. The cash, stock or other compensation that we may require the executive to repay or return must have been received by the executive during the 12-month period beginning on the date of the first public issuance or the filing with the SEC, whichever occurs earlier, of the financial statement requiring restatement. The compensation required to be repaid or returned will include (1) cash or company stock received by the executive (A) upon the exercise during that 12-month period of any stock appreciation right held by the executive or (B) upon the payment during that 12-month period of any incentive compensation, the value of which is determined by reference to the value of company stock, and (2) any proceeds received by the executive from the disposition during that 12-month period of company stock received by the executive upon the exercise, vesting or payment during that 12-month period of any award of equity-based incentive compensation.

EXECUTIVE COMPENSATION ARRANGEMENTS

Gregory B. Maffei

Option Grant

On December 21, 2014, Mr. Maffei received a one-time grant of 1,797,107 options to purchase shares of LTRPB at an exercise price of \$27.83 per share (the **2014 Options**). One-half of the 2014 Options will vest on the fourth anniversary of the grant date with the remaining 2014 Options vesting on the fifth anniversary of the grant date, in each case, subject to Mr. Maffei being employed on the applicable vesting date. The 2014 Options have a term of ten years. Pursuant to the services agreement, as an employee of Liberty Media, Mr. Maffei provides services to our company and is not separately compensated by our company other than with respect to equity awards with respect to our common stock.

Upon a "change in control" (as defined in the award agreement relating to the 2014 Options) prior to Mr. Maffei's termination or in the event of Mr. Maffei's termination for death or disability, all of his unvested 2014 Options will become exercisable. If Mr. Maffei is terminated by our company for "cause" (as such term is defined in the award agreement relating to the 2014 Options), all of his unvested 2014 Options will terminate if there has not been a prior change in control. If Mr. Maffei is terminated by our company without "cause" or if he terminates his employment for "good reason" (as such term is defined in the award agreement relating to the 2014 Options), then each unvested tranche of 2014 Options will vest pro rata based on the number of days in the vesting period for such tranche elapsed since the grant date plus 548 calendar days; however, in the event (i) all members of the "Malone Group" (as such term is defined in the award agreement relating to the 2014 Options) cease to beneficially own our company's securities representing at least 20% of our voting power, (ii) within 90 to 210 days of clause (i) Mr. Maffei's employment is terminated by our company without cause or by Mr. Maffei for good reason and (iii) at the time of clause (i) Mr. Maffei does not beneficially own our company's securities representing at least 20% of our voting power, then all unvested 2014 Options will vest in full as of the date of Mr. Maffei's termination. In no event will the vesting of the 2014 Options accelerate upon Mr. Maffei's voluntary termination of his employment with our company without good reason. In addition, in no event will the vesting of the 2014 Options accelerate upon termination of Mr. Maffei's employment for any reason with Liberty Media. In the event of a change in control prior to Mr. Maffei's termination, all of the 2014 Options will remain exercisable until the end of the term. If Mr. Maffei is terminated for cause prior to December 31, 2019 (without a prior change in control occurring), then all vested 2014 Options will expire on the 90th day following such termination. In all other events of termination or if Mr. Maffei has not been terminated prior to December 31, 2019, all vested 2014 Options will expire at the end of the term.

Equity Incentive Plans

The incentive plan is designed to provide additional remuneration to officers, employees, nonemployee directors and independent contractors for service to our company and to encourage those persons' investment in our company. Non-qualified stock options, SARs, restricted shares, restricted stock units, cash awards, performance awards or any combination of the foregoing may be granted under the incentive plan (collectively, **awards**). The maximum number of shares of our common stock with respect to which awards may be granted is 6,700,000, subject to anti-dilution and other adjustment provisions of the incentive plan. With limited exceptions, under the

incentive plan, no person may be granted in any calendar year awards covering more than 2,000,000 shares of our common stock, subject to anti-dilution and other adjustment provisions of the incentive plan. In addition, no person may receive payment for cash awards during any calendar year in excess of \$10 million and no nonemployee director may be granted during any calendar year awards having a value (as determined on the grant date of such award) in excess of \$3 million. Shares of our common stock issuable pursuant to awards will be made available from either authorized but unissued shares or shares that have been issued but reacquired by our company. The incentive plan is administered by the compensation committee with regard to all awards granted under the incentive plan (other than awards granted to the nonemployee directors), and the compensation committee has full power and authority to determine the terms and conditions of such awards. The incentive plan is administered by the full board of directors with regard to all awards granted under the incentive plan to nonemployee directors, and the full board of directors has full power and authority to determine the terms and conditions of such awards.

In connection with the Spin-Off, new equity incentive awards with respect to our common stock (**new Liberty TripAdvisor awards**) were issued in connection with adjustments made to outstanding equity incentive awards with respect to shares of Liberty Interactive's Liberty Ventures common stock which had been granted to various directors, officers and employees and consultants of Liberty Interactive and certain of its subsidiaries pursuant to the various stock incentive plans administered by the Liberty Interactive board of directors or the compensation committee thereof. These new Liberty TripAdvisor awards were issued pursuant to the Liberty TripAdvisor Holdings, Inc. Transitional Stock Adjustment Plan (the **transitional plan**), which governs the terms and conditions of the new Liberty TripAdvisor awards but cannot be used to make any additional grants following the Spin-Off.

Pay Ratio Information

We are providing the following information about the relationship of the median annual total compensation of our employees and the total compensation of Mr. Maffei, our chief executive officer on December 31, 2017, pursuant to the SEC's pay ratio disclosure rules set forth in Item 402(u) of Regulation S-K. We believe our pay ratio is a reasonable estimate calculated in a manner consistent with the SEC's pay ratio disclosure rules. However, because these rules provide flexibility in determining the methodology, assumptions and estimates used to determine pay ratios and the fact that workforce composition issues differ significantly between companies, our pay ratio may not be comparable to the pay ratios reported by other companies.

To identify our median employee, we first determined our employee population as of December 31, 2017, which consisted of employees located in the U.S., Europe and throughout the rest of the world, representing all full-time, part-time, seasonal and temporary employees, including hourly employees, employed by our company and our consolidated subsidiary, TripAdvisor, on that date. Using information from our payroll records, we then measured each employee's annual total compensation for calendar year 2017, consisting of base salary, short-term bonus at target and long-term equity incentive award at target. TripAdvisor annualized the compensation of approximately 600 full-time and part-time employees who were hired in 2017 but who did not work for it for the entire year. The earnings of TripAdvisor's employees outside the U.S. were converted to U.S. dollars using the currency exchange rates used for TripAdvisor's organizational planning purposes, which consider historic and forecasted rates as well as other factors. We did not make any cost-of-living or full-time equivalent adjustments.

Once we identified our median employee, we then determined that employee's total compensation, including any perquisites and other benefits, in the same manner that we determined the total compensation of our named executive officers for purposes of the Summary Compensation Table above. The ratio of our chief executive officer's total annual compensation to that of the median employee was as follows:

Chief Executive Officer Total Annual Compensation	\$ 0
Median Employee Total Annual Compensation	\$ 91,079
Ratio of Chief Executive Officer to Median Employee Total Annual Compensation	0:1

GRANTS OF PLAN-BASED AWARDS

No plan-based incentive awards were granted during the year ended December 31, 2017 to the named executive officers.

OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END

The following table contains information regarding unexercised options which were outstanding as of December 31, 2017 and held by the named executive officers. Messrs. Maffei and Wendling did not have any unvested stock awards as of December 31, 2017.

OPTION EXERCISES AND STOCK VESTED

Our named executive officers did not exercise any options to purchase shares of our common stock during 2017. In addition, none of our named executive officers held stock awards relating to our common stock that vested during 2017.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

The following table sets forth the potential payments to our named executive officers if their employment with our company had terminated or a change in control had occurred, in each case, as of December 29, 2017, which was the last business day of our last completed fiscal year. In the event of such a termination or change in control, the actual amounts may be different due to various factors. In addition, we may enter into new arrangements or modify these arrangements from time to time.

The amounts provided in the tables are based on the closing market prices on December 29, 2017 for our Series A common stock and Series B common stock, which were \$9.43 and \$9.40, respectively. Because the exercise price of the 2014 Options was more than the closing market price of LTRPB shares on December 29, 2017, and because the exercise price of options to acquire LTRPA shares held by Mr. Wendling was more than the closing market price of LTRPA shares on December 29, 2017, Mr. Maffei's 2014 Options and Mr. Wendling's options have been excluded from the table below.

The circumstances giving rise to these potential payments and a brief summary of the provisions governing their payout are described below and in the footnotes to the table (other than those described under "—Executive Compensation Arrangements," which are incorporated by reference herein):

Voluntary Termination

Each of the named executive officers holds equity awards that were issued under the transitional plan, and Mr. Maffei holds the 2014 Options which were issued under the incentive plan. Under these plans and the related award agreements, in the event of a voluntary termination of his employment with our company for any reason, each named executive officer would only have a right to the equity grants that vested prior to his termination date. Mr. Maffei and Mr. Wendling are not entitled to any severance payments or other benefits upon a voluntary termination of his respective employment for any reason. The foregoing discussion assumes that the named executive officers voluntarily terminated his respective employment without good reason. See "—Termination Without Cause or for Good Reason" below for a discussion of potential payments and benefits upon a named executive officer's voluntary termination of his employment for good reason.

Termination for Cause

All outstanding equity grants constituting options, whether unvested or vested but not yet exercised, under the existing incentive plans would be forfeited by any named executive officer (other than Mr. Maffei in the case of equity grants constituting vested options or similar rights) who is terminated for "cause." Unless there is a different definition in the applicable award agreement, both the transitional plan (which governs the awards other than the 2014 Options) and the incentive plan define "cause" as insubordination, dishonesty, incompetence, moral turpitude, other misconduct of any kind and the refusal to perform his duties and responsibilities for any reason other than illness or incapacity; provided that, if such termination is within 12 months after a change in control (as described below), "cause" means a felony conviction for fraud, misappropriation or embezzlement. With respect to Mr. Maffei's equity grants, including the 2014 Options, "cause," as defined in the applicable award agreement, means (i) Mr. Maffei's willful failure to follow the lawful instructions of the board of directors of our company; (ii) the commission by Mr. Maffei of any fraud, misappropriation or misconduct that causes demonstrable material injury to our company or its subsidiaries; (iii) Mr. Maffei's conviction of, or plea of guilty or nolo contendere to, a felony; or (iv) Mr. Maffei's failure to comply in any material respect with any written agreement between him and our company or any of our subsidiaries if such failure causes demonstrable material injury to our company or any of our subsidiaries, except that Mr. Maffei is entitled to certain procedural and cure rights relating to a termination for cause, except in the case of a termination for cause based on a felony conviction. Mr. Maffei has certain continuing rights under his award agreements, including for his 2014 Options, to exercise vested options following a termination for "cause." See "—Executive Compensation Arrangements."

Termination Without Cause or for Good Reason

Pursuant to the award agreement for the 2014 Options, Mr. Maffei's 2014 Options are subject to acceleration upon a termination of his employment without cause or for good reason. See "—Executive Compensation Arrangements—Gregory B. Maffei" above for additional entitlements. Mr. Maffei is not entitled to any severance pay or other benefits upon a termination without cause or for good reason.

Mr. Wendling does not have any unvested equity awards, and he is not entitled to any severance pay or other benefits upon a termination without cause.

Death

In the event of death of any of the named executive officers, the incentive plans and applicable award agreements provide for vesting in full of any outstanding options. See “Executive Compensation Arrangements” above. None of the named executive officers is entitled to any severance pay or other benefits upon a termination due to death.

Disability

If the employment of any of the named executive officers is terminated due to disability, which is defined in the incentive plans or applicable award agreements, such plans or agreements provide for vesting in full of any outstanding options. See “Executive Compensation Arrangements” above. None of the named executive officers is entitled to any severance pay or other benefits upon a termination due to disability.

Change in Control

In case of a change in control, the incentive plans provide for vesting in full of any outstanding options held by the named executive officers. A change in control is generally defined as:

- The acquisition by a non-exempt person (as defined in the incentive plans) of beneficial ownership of at least 20% of the combined voting power of the then outstanding shares of our company ordinarily having the right to vote in the election of directors, other than pursuant to a transaction approved by our board of directors.
- The individuals constituting our board of directors over any two consecutive years cease to constitute at least a majority of the board, subject to certain exceptions that permit the board to approve new members by approval of at least two-thirds of the remaining directors.
- Any merger, consolidation or binding share exchange that causes the persons who were common stockholders of our company immediately prior thereto to lose their proportionate interest in the common stock or voting power of the successor or to have less than a majority of the combined voting power of the then outstanding shares ordinarily having the right to vote in the election of directors, the sale of substantially all of the assets of the company or the dissolution of the company.

In the case of a change in control described in the last bullet point, our compensation committee may determine not to accelerate the existing equity awards of the named executive officers if equivalent awards will be substituted for the existing awards, except that Mr. Maffei’s awards may also be subject to acceleration upon a change in control, including of the type described in the last bullet point, pursuant to the terms of the award agreement for his 2014 Options. See “—Executive Compensation Arrangements—Gregory B. Maffei” above. For purposes of the tabular presentation below, we have assumed no such determination was made.

DIRECTOR COMPENSATION

NONEMPLOYEE DIRECTORS

Director Fees

Each of our directors who is not an employee of, or service provider to, our company is paid an annual fee of \$153,000 (which we refer to as the **director fee**) for 2018 (\$150,000 for 2017), of which fee each director was permitted to elect to receive 50%, 75% or 100% of such director fee in RSUs or options to purchase LTRPA, which will vest one year from the grant date, with the remainder payable in cash. The awards issued to our directors with respect to their service on our board in 2017 were issued in December 2016. See “—Director Option Grants” below for information on the incentive awards granted in 2017 to the nonemployee directors with respect to service on our board in 2018. Fees for service on our audit committee, compensation committee, executive committee and nominating and corporate governance committee are the same for 2017 and 2018. With respect to our audit committee, compensation committee and nominating and corporate governance committee, each member thereof receives an additional annual fee of \$15,000, \$10,000 and \$10,000, respectively, for his participation on each such committee, except that the chairman of each such committee instead receives an additional annual fee of \$25,000, \$15,000 and \$15,000, respectively, for his participation on that committee. With respect to our executive committee, each member thereof who is not an employee of, or service provider to, our company receives an additional annual fee of \$5,000 for his participation on that committee. The cash portion of the director fees and the fees for participation on committees are payable quarterly in arrears.

Management of our company requested Mercer to conduct a market study of nonemployee director compensation in December 2017. In preparing the study, Mercer reviewed the nonemployee director compensation paid at companies that compete in the same markets as our company’s operating assets. Also, because of our company’s structure, Mercer reviewed director compensation paid at private equity companies. Mercer reviewed the structure and amounts paid at these companies and made comments regarding the ratio of cash compensation to equity compensation, as well as the total compensation that should be paid. After reviewing the report, the board determined to maintain the current pay structure.

Equity Incentive Plans

As discussed above, awards granted to our nonemployee directors under the incentive plan are currently administered by our full board of directors. Our board of directors has full power and authority to grant eligible persons the awards described below and to determine the terms and conditions under which any awards are made. The incentive plan is designed to provide additional remuneration to our nonemployee directors and independent contractors, among others, and to encourage their investment in our capital stock, thereby increasing their proprietary interest in our business. Our board of directors may grant non-qualified stock options, SARs, restricted shares, restricted stock units, cash awards, performance awards or any combination of the foregoing under the incentive plan.

As described above, in connection with the Spin-Off, our company’s board of directors adopted the transitional plan, which governs the terms and conditions of awards issued in the Spin-Off in connection with adjustments made to awards previously granted by Liberty Interactive with respect to its Liberty Ventures common stock.

Director Option Grants

Pursuant to our director compensation policy described above and the incentive plan, on December 13, 2017, Messrs. Mueller and Romrell were each granted options to purchase 17,485 LTRPA shares and Messrs. Malone and Wargo were each granted options to purchase 34,970 LTRPA shares, all of which had an exercise price equal to \$9.40, which was the closing price of such stock on the grant date. The options will become exercisable on the first anniversary of the grant date, or on such earlier date that the grantee ceases to be a director because of death or disability, and, unless our board determines otherwise, will be terminated without becoming exercisable if the grantee resigns or is removed from the board before the vesting date. Once vested, the options will remain exercisable until the seventh anniversary of the grant date, or, if earlier, until the first business day following the first anniversary of the date the grantee ceases to be a director.

Stock Ownership Guidelines

In March 2016, our board of directors adopted stock ownership guidelines that require each nonemployee director to own shares of our company's stock equal to at least 1.5 times the value of the nonemployee director fee. Nonemployee directors will have five years from the later of (i) the effective date of the guidelines and (ii) the nonemployee director's initial appointment to our board to comply with these guidelines.

- (2) The transitional plan was previously approved by our board of directors and our former parent company, Liberty Interactive, as sole stockholder, in connection with the Spin-Off. The transitional plan governs the terms and conditions of awards with respect to our company's common stock that were granted in connection with adjustments made to awards granted by Liberty Interactive with respect to its Liberty Ventures common stock. As a result, no further grants are permitted under this plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Under our Code of Business Conduct and Ethics and Corporate Governance Guidelines, if a director or executive officer has an actual or potential conflict of interest (which includes being a party to a proposed “related party transaction” (as defined by Item 404 of Regulation S-K)), the director or executive officer should promptly inform the person designated by our board to address such actual or potential conflicts. No related party transaction may be effected by our company without the approval of the audit committee of our board or another independent body of our board designated to address such actual or potential conflicts.

LETTER AGREEMENT WITH MR. MAFFEI

As described in more detail above under “Executive Compensation—Executive Compensation Arrangements—Gregory B. Maffei,” on December 21, 2014, Mr. Maffei received a one-time grant of the 2014 Options consisting of 1,797,107 options to purchase shares of LTRPB at an exercise price of \$27.83 per share. Because of the significant voting power that Mr. Maffei would possess upon exercise of the 2014 Options, our board of directors determined that it would be appropriate to also grant Mr. Maffei approval for purposes of exempting him from the restrictions that may be imposed on him as an “interested stockholder” under Section 203 of the General Corporation Law of Delaware (**Section 203**). Separately, Mr. Maffei advised our board that, although no agreement, arrangement or understanding had been reached, he was in discussions with Mr. Malone regarding a potential exchange of shares of LTRPB owned by the Malones (as defined below) for shares of LTRPA owned by Mr. Maffei. As a result, the compensation committee of our board and the members of our board independent of Mr. Maffei and the Malones determined that it was appropriate to request that Mr. Maffei enter into a standstill agreement with our company, and on December 21, 2014, we and Mr. Maffei entered into a letter agreement (the **Standstill Letter**). The Standstill Letter was entered into in connection with the grant of the 2014 Options to Mr. Maffei and in anticipation of such potential exchange. On December 22, 2014, Mr. Maffei acquired 2,770,173 shares of LTRPB in exchange for 3,047,190 shares of LTRPA pursuant to an exchange transaction pursuant to which he exchanged (the **Exchange**) an aggregate of 3,047,190 shares of LTRPA in a private transaction with John C. Malone, our Chairman at the time, Mr. Malone’s wife and two trusts (the **Trusts**) managed by an independent trustee, the beneficiaries of which are Mr. Malone’s adult children (Mr. Malone, his wife and the Trusts, the **Malones**), for an aggregate of 2,770,173 shares of LTRPB held by Mr. Malone, his wife and the Trusts. Prior to the grant of the 2014 Options and any agreement, arrangement or understanding between Mr. Maffei and Mr. Malone regarding the Exchange, the compensation committee of our board and the members of our board independent of Mr. Maffei and the Malones approved (x) each of Mr. Maffei and certain of his related persons as an “interested stockholder” and (y) the acquisition by such persons of shares of our common stock, in each case, for purposes of Section 203.

Subject to certain exceptions, during the Term (as defined below) of the Standstill Letter, Mr. Maffei has agreed that he will not, and he will not permit his Controlled Affiliates (as defined in the Standstill Letter) to, directly or indirectly, acquire Voting Securities (as such term is defined in the Standstill Letter) of our company if, after giving effect to such acquisition, Mr. Maffei and his Controlled Affiliates would beneficially own (as defined under the Exchange Act, but including all shares Mr. Maffei has the right to acquire without giving effect to any vesting requirements) in excess of 34.9% of our outstanding Voting Securities (the **Cap**); provided, that the Cap will not prohibit, among other things, Mr. Maffei from acquiring or exercising the 2014 Options or acquiring shares of LTRPB pursuant to the Exchange. In the event Mr. Maffei or his Controlled Affiliates have beneficial ownership of Voting Securities of our company in excess of the Cap, subject to limited exceptions, Mr. Maffei will vote such securities in excess of the Cap in the same proportion as the votes cast by stockholders unaffiliated with Mr. Maffei on any matter submitted to a vote of our stockholders.

Pursuant to the Standstill Letter, during the period commencing on December 21, 2014 and ending on the earlier of (x) the fifth anniversary of the closing of the Exchange or (y) the consummation of a Change in Control (as defined in the Standstill Letter) (such period, the **Term**), our company will include Mr. Maffei (or his designee) in management’s slate of directors for election (the **Management Slate**) at each annual or special meeting of stockholders at which directors in Mr. Maffei’s (or his designee’s) class are to be elected. Our company will use reasonable best efforts to cause the election of Mr. Maffei (or his designee) to our board of directors. So long as our company complies with our obligation to include Mr. Maffei (or his designee) on the Management Slate as provided in the Standstill Letter, Mr. Maffei has agreed to vote his shares of our common stock in favor of the Management Slate.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Pursuant to and during the Term of the Standstill Letter, Mr. Maffei has agreed, subject to certain exceptions, to certain customary standstill provisions. Such provisions prohibit Mr. Maffei and his Controlled Affiliates, unless expressly authorized by a majority of the members of our board who are independent, disinterested and unaffiliated with Mr. Maffei and his Controlled Affiliates, from: (i) effecting or seeking, offering or proposing (whether publicly or otherwise) to effect, or announcing any intention to effect or cause or participating in or assisting, facilitating or encouraging any other person to effect or seek, offer or propose (whether publicly or otherwise) to effect or participate in, (A) any acquisition of any equity securities (or beneficial ownership thereof) or rights or options to acquire any equity securities (or beneficial ownership thereof), of our company, (B) any tender or exchange offer, consolidation, business combination, acquisition, merger, joint venture or other business combination involving our company, (C) any recapitalization, restructuring, liquidation, dissolution or other extraordinary transaction with respect to our company or (D) any solicitation of proxies or consents relating to the election of directors with respect to our company; (ii) forming, joining or in any way participating in a “group” (as defined under Rule 13d-3 of the Exchange Act); (iii) depositing any Voting Securities in a voting trust or similar arrangement; (iv) granting any proxies with respect to any Voting Securities to any person (other than in his capacity as a designated representative of our company); (v) otherwise acting (alone or in concert with others), to call or seek to call a meeting of our stockholders, initiating any stockholder proposal or calling a special meeting of our board of directors; (vi) entering into any third-party discussions regarding the foregoing; (vii) publicly requesting a waiver or amendment of the foregoing, or making any public announcement regarding such restrictions; (viii) taking any action which would reasonably be expected to require our company to make a public announcement regarding the possibility of a business combination or merger; or (ix) advising, assisting or knowingly encouraging or directing any person to do so in connection with the foregoing. However, Mr. Maffei will not be deemed to have breached or violated these limitations to the extent such actions were taken in connection with his provision of services to our company as a member of our board of directors or as Chief Executive Officer of our company.

The standstill limitations cease to apply (i) if our company fails (subject to certain exceptions) to comply with our obligation to include Mr. Maffei (or his designee) on the Management Slate for election as a director (other than at Mr. Maffei's request or because of Mr. Maffei's refusal to accept such nomination), (ii) if Mr. Maffei ceases to serve as Chief Executive Officer of our company other than as a result of his resignation without Good Reason (as defined in the grant agreement related to the 2014 Options (the **Option Agreement**)), his Disability (as defined in the Option Agreement) or his termination for Cause (as defined in the Option Agreement), or (iii) if Mr. Maffei (or his designee) ceases to be a director of our company, other than (A) due to his refusal to serve as a director of our company or to propose a designee in his place, (B) due to his (or his designee's) resignation, (C) due to Mr. Maffei's election not to submit a replacement candidate for appointment or (D) during a period following Mr. Maffei's resignation so long as our company is working in good faith to appoint a replacement designee of Mr. Maffei. The standstill limitations also cease to apply upon the occurrence of certain events set forth in the Standstill Letter, including our company entering into discussions regarding a transaction that would, if consummated, be reasonably likely to result in a Change of Control (unless Mr. Maffei has been released from such restrictions to the extent reasonably necessary for him to fully participate in any discussions (in his capacity as a stockholder) and to offer or propose alternative transactions involving himself and his Controlled Affiliates and third parties) or a third party commences a tender or exchange offer for at least 50.1% of our common stock which would result in a Change of Control of our company and which offer is not opposed by our company.

The foregoing is a summary of the Standstill Letter and is qualified by reference to the full text of the Standstill Letter, which is incorporated by reference as Exhibit 7(a) to the Schedule 13D filed by Mr. Maffei with respect to our common stock on December 31, 2014.
